LEVELS OF CARE & WHO WE ACCEPT

Assisted living

Ongoing support for older adults who want their independence with a hand during the day.

Personal care

Hands-on daily help with bathing, dressing, mobility, and medication management.

Respite care

A short stay — a practical step-down after a hospital stay, or coverage while a family caregiver is away.

Who we accept: private-pay and veteran residents — accommodated statewide, with transportation to the community.

WHY PARTNERS REFER HERE

- **Same-day response.** Call during business hours and you'll typically hear back within 30 minutes.
- **A true small-home ratio.** Just 16 residents per home, so your patient is known by name.
- **Physician-directed quality.** Our Director of Resident Care Quality is a physician who directs safety monitoring, training, and daily quality rounds.
- **24/7 caregivers.** Around-the-clock help with bathing, dressing, mobility, and medication.
- **Communication you can count on.** Families — and referring partners, with consent — hear from us the same day anything changes.
